Hosted by

New Millennium Bible Fellowship Church
9026 Elam Rd., Dallas, TX 75217
Bishop J. Lee and Pastor Donna Slater

In-person & Virtual (Streamed Live: Facebook Live and YouTube Channel)

AGENDA

SATURDAY, NOVEMBER 11, 2023, 10:00 AM – 12:30 PM

PART II WORKSHOP GOALS: *The goals of PART II are to: 1) Increase our knowledge and understanding about the historical harm and lack of safety in medical research conducted on African Americans and the progress that has been made in clinical trial safety, 2) learn about our rights as participants to ensure and expand our opportunity for inclusion and participation in clinical research so that we can benefit from high-quality care, services, and treatments, and 3) find out more about Alzheimer's clinical trials in our area and how we can participate.*

10:00 AM
